## **AMU Braga Delegation / Event - 5 para a Católica**

2014-04-30

After the successful first edition of 5 for Catholic, the AEFBB (Association of Students of the Faculty of Philosophy of Braga) now puts forward with "5 for Catholic 2". It has this name because of its resemblance to the Portuguese television show - the "5 to midnight."

The event was held on 11th April at the Aula Magna of the Faculty of Philosophy of Braga, and featured guests in the areas of Philosophy (Artur Galvão), Communication Sciences (Pedro Cruz), the great comedian Carlos Vidal and the band of The Modisons!

The entrance to the show was done through donations of foodstuffs to help those most in need through the partnership with AMU Portugal. The box was complete and generously filled up!

Again, we leave our appreciation to all the participants, organizers, employees and also to the organization staff.
