Statute of Private Social Solidarity Institution (IPSS)

2014-02-14

- **Bylaw n.º 119/83, 25th February**

It approves the Statute of Private Social Solidarity Institutions (IPSS). Social solidarity is carried out within the area of social security, as well as in specific fields such as health (hospital activity and ambulatory medical care services), education, accommodation and other areas which cater for people and families' social needs, through the generosity and intervention of organized voluntary social schemes.
