Grants / Finished Project

2014-02-19

This project was created after a protocol was signed between the Southern Angola Bishop Association (Associação dos Bispos do Sul de Angola) and the University/ Diocese of Porto, with the aim to promote access to university education (undergraduate and post-graduate levels) for Angolan students who go through a selection process and are willing to return to Angola, after their training, in order to work for the development of Angola, in the areas where they are from.
