“Think Global, Act Local” / Finished Project

2014-02-19

Eight Millennium Development Goals, Eight Paths to change the World

The Project Education for Development “Think Global, Act Local” was implemented by AMU in association with URB-África (ONGD UCCLA); it was supported by the City Council of Oeiras, Centro de Formação de Associação de Escolas Formar para Educar (Carnaxide/ Oeiras), Centro de Formação de Oeiras, and the city Council of São Vicente, Mindelo. The project was co-financed by Instituto Português de Apoio ao Desenvolvimento.

In order to spread to the community in general the need to reach the Eight Millennium Development Goals proposed by the UN, the project was directed to kindergartens and to primary education schools which joined the project, by involving teachers, students, assistants and parents’ associations.
