

Help to Cooperation in Angola / Completed

2014-02-21

The various initiatives of collecting and sending goods, promoted by AMU, gave way to a small cooperative to cater for the greatest needs of around 100 families living mainly on the outskirts of Luanda. This cooperative is responsible for coordinating and distributing these donations mostly in Luanda, as well as in Huambo and Lubango. This cooperative has been in charge of the following services:

Canteen	Acquisition and distribution of essential goods
Pharmacy	Distribution of medicine
Library	Distribution of books and school material
Shop	Distribution of clothes
Shoe shop	Distribution of shoes
Bazaar	Distribution of toys and various objects
