Party of ethnic traditional songs

2014-02-25

In April 1997, a party was held in Bairro da Pedreira dos Húngaros. The neighbourhood had this name due to a Hungarian family who had lived there for 60 years. It was a multi-ethnic neighbourhood, mainly with people from Cape-Verde and at that time mostly with young people and children. It used to be a ghetto which was marginalised by the surrounding population and which marginalised itself as well. Intercultural contact was not very encouraged either.
